Rules & Regulations

Inspection of Litters

The Breeder should inform the concerned Group Breed Warden within 72 hours (03 days) of the Litter born. First inspection shall be carried out within 01 week of the litter born. Second inspection shall be carried out just prior to Microchip insertion.

Microchip Procedure

The Litter registration forms should be sent to PGSDC, maximum by the 4th week of the whelping date, along with all necessary documents. The litter shall be micro-chipped by 06 weeks of age. The Microchip insertions will be done by the concerned Group Breed Warden, at the premises of the breeder, and also verify the breeder has retained the litter. Microchip shall be inserted/placed below the ear.

Microchip and Inspection Charges

Litter inspections fee within the same Station/City, shall be Rs. 1000/= and out of Station/City shall be Rs. 2000/=. The fee for Microchip insertion, Rs. 300/= per puppy. Litter inspection fee is not to be confused with litter registration fee, published at the "Subscription & Fee Structure" page.

In Case of One or More Puppies Missing from Litter

Only puppies present at the breeder's premises, at the time of the insertion of microchips by the Group Breed Warden, will be micro-chipped. If for any reason whatsoever, one or more puppies from the same litter are not present at the time of microchip insertion, the following penalties may be levied:

Fine of Rs. 10,000.

In case of not fulfilling/Complying with the above, the litter will not be registered or pedigrees issued.
